

NEWSPIRACY

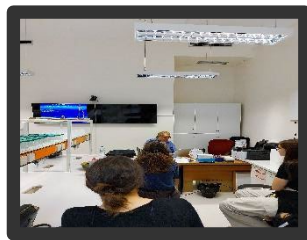

FIGHTING THE ONLINE POST-TRUTH CONSPIRACY

Objectives	<p>Develop critical thinking.</p> <p>Apply critical thinking to information received.</p> <p>Analyse fake news.</p> <p>Online training and an interactive environment.</p>
------------	--

Deliverables	
NewsPiracy.eu	TRUTH-TRACK, an interesting activity, where participants can read articles, translated into five different languages and express thoughts, whether the information contained are accurate or not.
EPALE	The group is open for participation.
MOODLE platform	An in-service training course is open, available in five different languages. Participants can learn a lot about fake news and complete useful and entertaining activities. A satisfactory, yet still raising, number of participants has already registered.
Facebook Group	An open and accessible group, which gives room for thought, posts and ideas

Dissemination to undergraduate students

A course on fake news is available in five languages.
